

Dear Future Homeowners!!

Our experience with Laura Lake of Keller Williams Realty has been wonderful. She is so down to earth, very knowledgeable about the housing market and was so easy to work with. She always returned our calls and answered our emails quickly. She has an incredibly positive and cheerful attitude. I never thought the home buying experience could be so simple. Laura went above and beyond in finding a house for us and we definitely would highly recommend her and her services. One home in particular didn't have photos posted on the MLS, and on her own time she went to look at it for us and reported back with a great description. It just so happened to be the one we bought! She knew our taste and exactly what we were looking for, it was almost eerie how easily she was able to read us and our desires and find us exactly what we wanted. Not only is she a fantastic realtor with a professional edge, she really treats you like a friend. We really felt that she handled our home buying process exactly how she would have handled it if it were her own home. Thanks for helping us find our home Laura!!

Sincerely,  
Adam & Christine Nicodemus
